Letter of Support for Dr. Yoon Shik Han's Tenure Review

Dear members of the Board of Trustees and Tenure Review Committee,

I am honored to write this letter in support of Dr. Han's tenure at Edmonds College. Since the beginning of his employment with the college in 2023, I have had the privilege of working with him through various IT logistical consultations for his classes. Throughout these collaborations, I have been consistently impressed by his unwavering dedication to his students, his commitment to refining and enhancing his teaching methodologies, as well as his approachability and clarity of communication.

Dr. Han is an insightful and proactive educator who brings a unique and thoughtful approach to fostering an optimal learning environment for his students. He demonstrates outstanding character in his interactions and he maintains a professional yet approachable demeanor that encourages dialogue and intellectual engagement. His willingness to share his ideas and perspectives cultivates an environment where students can feel empowered to explore and apply their knowledge effectively.

With Dr. Han's deep commitment to student success and his persistence in delivering a high-quality education, I have no doubt that he will continue to make significant contributions to Edmonds College. His tenure will ensure that students have continued access to his expertise in accounting, allowing them to develop a strong foundation in the subject. I wholeheartedly endorse his tenure and believe his presence is invaluable to the Edmonds College community.

Sincerely,
